

**EAA Chapter 190**  
**Membership Data Form**  
**For the Year 2018**

We invite you to join your fellow aviator enthusiast in advancing the spirit of flight. We support the local community through public displays and fly-ins, our kids through the Young Eagles Program, and aircraft builders and pilots through highly interactive exchanges. We want to thank all of you who have supported our Chapter over the years and would appreciate your continued support.

Per our Chapter By-laws, membership dues for the calendar year are due in January. New members joining during the year may prorate the annual dues (\$15) for the remaining number of months in the calendar year. Full privileges require National EAA membership. Applications for EAA National can be completed on-line at [www.eaa.org](http://www.eaa.org). For current and new members, **please update our database each year by filling out the membership form below; bring it to a chapter meeting, breakfast, or send it, along with your check for \$15.00 (payable to EAA Chapter 190), to our Treasurer:**
