Presidents Message:

Aaron Wypyszynski – EAA # 579057

Our year is coming to a close and that means that it is chapter election time! Ballots will be sent out to all chapter members and a vote will be held at this month's chapter meeting. If you are unable to attend in person, there will be a designated contact to send proxy votes to.

We have a great activity planned for this month's chapter meeting! We will be meeting at Yellowhammer Brewery at 2600 Clinton Ave West, Huntsville, AL. We have a room reserved starting at 6pm. The chapter meeting will officially start at 6:30 during which time we will have our chapter elections. Our speaker for the evening will be Jerry, owner of Moontown Airport. He will be discussing his experiences as a B-52 pilot, head of the glider program at the US Air Force Academy, and training to become a U2 pilot!

A few additional notes on upcoming meetings:

- There will be no December Chapter Meeting, instead we will meet at the Moontown Christmas Party.
- In January we will be visiting the Huntsville International Airport air traffic control facility! This will be a great chance to see the radar room as well as to see what the view is like from the control tower!

Hope to see you at one of this month's activities!
